UKULELE

Please read through the following section if you are thinking of performing any songs not published in the Rockscool Acoustic Guitar grade books.

For all grades:

The appropriate grade book must be brought to the exam.

Candidates are allowed to perform only a certain number of free choice pieces in their exam. For a grade exam two out of three pieces may be free choice pieces, for Performance Certificate three out of five may be free choice pieces.

Candidates will need to bring a copy of the sheet music for the examiner and a backing track for all Free Choice Pieces including pieces from previous Rockscool Syllabi.

All Free choice pieces must be performed to a backing track (without the examined part). The backing tracks may be provided on CD, MP3 player, tablet or USB. Please note that the audio cannot be streamed from a device and must be a downloaded audio file for accessible playback on the exam day.

Selecting Free choice pieces:

The following checklist has been devised to help you assess whether or not the repertoire you have chosen meets the criteria established for Performance Pieces in the grade you are taking.

* Indicates that noted point should be included in the piece.

Other points are discretionary, depending on other elements of the piece chosen. If not all requirements are included in the notation, candidates are welcome to add these to the score for assessment.

If after reading this guide you still require help to determine if your chosen piece is suitable for the grade, please forward a copy of the sheet music to **freechoicepieces@rslawards.com**

Note! Please allow **four weeks** for a decision regarding the suitability of the submitted piece.
