PREFACE

INTRODUCTION

Welcome to the Rockscool 2019–2022 syllabus for Acoustic guitar. This syllabus guide is designed to give teachers, learners and candidates practical information on the graded examinations run by Rockscool.

The Rockscool website www.rslawards.com has detailed information on all aspects of our examinations, including examination regulations, detailed marking schemes and assessment criteria as well as notated and audio examples to help you prepare for the examination.

This Syllabus Guide covers the following examinations:

- Graded Examinations Debut to Grade 8
- Performance Certificates Debut to Grade 8

The Value Of RSL Qualifications

RSL advocates an open access approach to qualifications, providing a range of syllabi, designed to accommodate a wide variety of candidates of different ages, experience and levels of achievement. RSL qualifications are listed on the Regulated Qualifications Framework (RQF) in England and Northern Ireland by the Office of Qualifications and Examinations Regulation (Ofqual). RSL is committed to maintaining and improving its reputation for excellence by providing high quality education and training through its syllabi, examinations, music and resources.

RSL & UCAS

For students applying for work or University, many potential employers see graded music exams in a very positive way. Recognised qualifications demonstrate an ability to dedicate commitment to extra-curricular activities, providing evidence of versatility which many students find beneficial within UCAS (Universities & Colleges Admissions Service) applications and for University entrance interviews.

Our qualifications at Level 3 (Grades 6–8) carry allocated points on the UCAS tariff.

For full details relating to the allocation of UCAS points please see: www.rslawards.com/about-us/ucas-points

Assessment Overview

ASSESSMENT	
Form of Assessment	All assessments are carried out by external examiners. Candidates are required to carry out a combination of practical tasks and underpinning theoretical assessment.
Unit Format	Unit specifications contain the title, unit code, credit level, credit value, learning outcomes, assessment criteria, grade descriptor, and types of evidence required for the unit.
Bands of Assessment	There are four bands of assessment (distinction, merit, pass and unclassified) for the qualification as a whole.
Quality Assurance	Quality Assurance ensures that all assessments are carried out to the same standard by objective sampling and re-assessment of candidates' work. A team of external examiners is appointed, trained and standardised by RSL.

QUALIFICATION SUMMARY

Aims & Broad Objectives

The aim of popular music performance qualifications is to provide a flexible, progressive mastery approach to the knowledge, skills and understanding required for popular music performance.

RSL's graded qualifications motivate and encourage candidates of all ages and levels through a system of progressive mastery, enabling candidates to develop and enhance skills, knowledge and understanding in a safe and consistent way. The qualifications are beneficial for candidates wishing to progress at their own pace through smaller steps of achievement.

These qualifications are suitable for candidates in the Under 16, 16+, 16–18, 19+ age groups.

Progression

Graded qualifications provide a flexible progression route for candidates. They are a positive means of determining progress and enable candidates to learn the necessary techniques to gain entry to FE and HE courses. Graded qualifications operate according to a well-established methodology of 'progressive mastery'. They allow candidates to be tested in discrete stages in the development of a wide range of skills. They tend to be more rigorous than other types of exams and for that reason industry is confident that achievement at the highest level gained by candidates of graded qualifications will have the skills necessary to work in other areas of the business.

Qualification Structure

A graded qualification consists of a range of both practical and knowledge-based elements which are based on detailed requirements outlined in the relevant syllabus. Therefore, requirements for each grade will be set out in detail in the Unit Specifications below (page X and onwards) and the learning outcomes and assessment criteria for each unit will require knowledge, skills and understanding of these syllabus requirements to be demonstrated at the grade entered.

Entry Requirements

There are no entry requirements for these qualifications. However, candidates should be aware that the content at the higher grades will require a level of knowledge and understanding covered in previous qualifications.

For further details on exam dates and fees and to apply for your music performance grades please visit the RSL website at:

- Ear Tests
- General Musicianship Questions

General Notes

At the beginning of a Grade Examination, the Examiner will ask the candidate if they wish to begin with Performance Pieces or Technical Exercises. In a Performance Certificate, candidates may present their Performance Pieces in any order of their choice.

Prior to the start of the Performance Pieces, the Examiner will conduct a sound check by asking the candidate to play the first few bars of the first chosen piece. This will set the levels for the exam and will take place alongside the backing track. Once the level has been established, the Examiner will then commence with the first piece in full. Note: the sound check is undertaken for the first Performance Piece only.

Candidates may perform any or all of their pieces from memory. This is not compulsory at any level and no additional marks are given for this. Except where stipulated, it is permitted to use grade books which contain notes made during the course of a candidate's study.

Note: It is not permitted to make any notes at any time during the exam.

For General Musicianship Questions, the Examiner may use his or her version of the selected piece as the basis to ask the questions if such notes contained on the candidate's version are deemed sufficiently extensive or might assist the candidate when answering the questions.

The Examiner will not facilitate page turning for candidates. Candidates are allowed to photocopy relevant sheet music as necessary to alleviate page turns but all copied materials must be handed into the Examiner at the end of the examination. All tempo markings are to be observed unless otherwise stated. Each piece is designed carefully to achieve a number of outcomes appropriate for the grade.

Expectations of Knowledge, Skills and Understanding

The graded examination system is one based on the principle of 'progressive mastery': each step in the exam chain demonstrates learning, progression and skills in incremental steps. Successful learning is characterised by a mastery of the fundamentals of the skills demanded in each grade.

Learners will be able to complete a set of practical tasks and be tested on their underpinning knowledge (the complexity and variety of tasks are determined by which qualification is being attempted), which allows them to demonstrate popular music performance knowledge, skills and understanding relevant to the grade. These technical skills set a firm platform for further technical and creative development by the learner.

Quality Assurance

All RSL examinations and graded qualifications are standardised according to the processes and procedures laid down by RSL.

CANDIDATE ACCESS & REGISTRATION

Access and Registration

The qualifications will:

- Be available to everyone who is capable of reaching the required standards
- Be free from any barriers that restrict access and progression
- Offer equal opportunities for all wishing to access the qualifications

At the point of application, RSL will ensure that all candidates are fully informed about the requirements and demands of the qualification. Candidates may enter online for any of the qualifications at various points in the calendar year in territories throughout the world.

Dates will be published on the website at www.rslawards.com

Recommended Prior Learning

Learners are not required to have any prior learning for these qualifications. However, learners should ensure that they are aware of the requirements and expectations of each grade prior to entering for an assessment.

FURTHER INFORMATION & CONTACT

Guidance on Free Choice Pieces

For all examinations, candidates are able to play a number of free choice pieces:

- **Grade Examinations:** Two free choice pieces (a minimum of one piece must be from the Acoustic grade book)
- **Performance Certificates:** Three free choice pieces (a minimum of two pieces must be from the Acoustic grade book)

Free choice pieces must demonstrate a comparable level of technical and musical demand to the pieces given in the set selections in the grade books which can be referred to as an indication of appropriate level.

Free choice pieces must be in a modern popular genre such as Pop; Rock; Jazz; Country; Blues; Soul; Reggae, Film and Musical Theatre.

Own compositions are also acceptable. Pieces should be selected carefully to ensure that they provide suitable opportunity for candidates to demonstrate the relevant assessment criteria. Candidates are reminded that if a chosen Free Choice Piece does not meet these requirements this may impact on the level of achievement possible within the examination.

All pieces must be performed to a backing track (without the examined part on the track) except in cases where a piece has been selected from previous Rockschooll syllabi and does not have a backing track or has been specifically arranged by Rockschooll as a solo piece.

All pieces must be performed to a backing track (without the examined part on the track) except in cases where pieces have been selected from previous Rockscool syllabi and do not have a backing track.

If there is any doubt or questions about the appropriateness of the chosen piece, it would be acceptable to email it to info@rslawards.com and a member of the Rockscool team will advise.

NOTATION

All notated work is to be played as written. There should be no changes or arrangement (unless previously agreed with Rockscool). Each piece is specifically written/presented carefully to achieve a number of outcomes appropriate for the grade. However, articulation/expression (from grade 1) and idiomatic development (from grade 3) further to the written notation is encouraged and awarded as part of the assessment criteria. MUSICAL INTERPRETATION

For all acoustic grades, Rockschooll encourages individual musicality, articulation, expression and use of dynamics when performing if not otherwise stipulated in the notation. This also applies anywhere in the exam, whether within a performance piece or any other prepared/unprepared element.

Note: where there is notated articulation, expression, dynamic or equivalent markings, these have been specifically written and must be observed.

ACOUSTIC SPECIFICATION

Candidates may use nylon or steel strung guitars, but it is recommended to use an instrument that best facilitates performance of the selected repertoire, particularly with regards to advanced techniques or set up at higher grades. Electronic pickup facilities are not required for Acoustic examinations.

Candidates must supply their own capos if these are required in their repertoire selection. Candidates are also reminded to use instruments which are appropriately set up to accommodate tuning changes if these are required. Candidates are permitted to bring a second instrument to accommodate pieces with altered tunings if this is preferred.

MAKING NOTES IN THE EXAM

It is not permitted to make any notes at any time during the exam.

It is permitted to use grade books which contain notes made during the course of a candidate's study, except during sections of the exam where memorisation is stipulated or in unseen sections.

For General Musicianship Questions, the examiner may use his or her version of the selected piece as the basis to ask the questions if such notes contained on the candidate's version are deemed sufficiently extensive or might assist the candidate when answering the questions

GROUP B: CHORDS

Open position chords. Individual chords will be strummed once as directed by the examiner.

- Major: A, D, C G
- Minor: Am, Em

GROUP C: ACOUSTIC RIFF

The riff shown in bar 1 should be played in the same shape in bars 2–4. The root note of the pattern to be played is shown in the music in each of the subsequent three bars

SIGHT READING OR IMPROVISATION & INTERPRETATION

At Debut candidates will be offered the choice between Sight Reading or Improvisation & Interpretation. Both are previously unseen and examples of each are given in the grade book

SIGHT READING

Duration: 4 bars

Rhythms: Whole (semibreves), half (minims) and quarter (crotchets)

Key: C major

Pitches and Instrumental Compass: C&D on the second string

Tempo: ♩=65

Candidates will have 90 seconds to practise after which the examiner will play the backing track twice. The first time is to practise and the second time is to perform the final version for the exam. During the practice time, candidates will be given the option of a metronome click throughout or a one bar count-in at the beginning.

The backing track is continuous so once the first playthrough has finished the count-in of the second playing will start immediately.

IMPROVISATION & INTERPRETATION

Duration: 4 bars

Key: C major

Tempo: ♩=65

Improvisation Requirement: Diatonic single-note melodies only

Candidates will have 90 seconds to practise after which the examiner will play the backing track twice. The first time is to practise and the second time is to perform the final version for the exam. During the practice time, candidates will be given the option of a metronome click throughout or a one bar count-in at the beginning.

The backing track is continuous so once the first playthrough has finished the count-in of the second playing will start immediately.

EAR TESTS

There are two Ear Tests in this grade. The examiner will play each test twice.

Test 1: Melodic Recall

Candidates will hear two half notes one after the other and will be asked whether the second note is higher or lower in pitch than the first note.

The test will be played twice. Each time the test is played it is preceded by a one bar vocal count-in.

The tempo is ♩=85.

Test 2: Rhythmic Recall

Candidates will hear a two-bar rhythm played to a drum backing on the lowest-sounding E string.

The test will be played twice. Candidates will be asked to play the rhythm back, before identifying the rhythm from two printed examples shown to them by the examiner.

Each time the test is played it is preceded by a one bar count-in. There will be a short gap for candidates to practise. Next candidates will hear a vocal count-in and will then need to play the rhythm to the drum backing.

The tempo is ♩=85.

GENERAL MUSICIANSHIP QUESTIONS

Candidates will be asked five questions. Four of these questions will be about general music knowledge and the fifth question asked will be about the candidate's instrument.

Music Knowledge

The examiner will ask the candidate four music knowledge questions based on a piece of music performed in the exam. Candidates will nominate the piece of music about which the questions will be asked.

In Debut candidates will be asked to identify:

- The music stave and the TAB
- The treble clef
- Half and quarter note values

Instrument Knowledge

The examiner will also ask candidates one question regarding their instrument.

In Debut candidates will be asked to identify:

- One of the following parts of the guitar: neck, body, tuning-pegs or bridge

Grade 2

The Grade 2 Acoustic exam is for candidates who have been typically learning for one year to eighteen months. They have mastered the key basic skills up to Grade 1 and since acquired greater use of technique, rhythms, co-ordination and musical understanding. There is also the continuing opportunity to develop improvisation skills.

There are two types of exam available at Grade 2, either a **Grade Exam** or **Performance Certificate**. (Refer to the Introduction for an explanation of the differences).

GRADE EXAMS

Prepared Work

Candidates are required to play *three* performance pieces and Technical Exercises which cover scales, chords and an acoustic riff.

Unprepared Work

Candidates are required to complete either a Sight Reading or an Improvisation & Interpretation test, and **two** Ear Tests that develop melodic recall and rhythmic sense and the final part of the exam is a set of five simple questions based on the candidate's choice of piece. These are designed to explore theory and instrument knowledge.

EXAM STRUCTURE

The Grade 2 exam lasts 20 minutes and is taken in the following order:

- Performance Pieces*

**These elements can be taken first or second at the candidate's request*

TECHNICAL WORK

At Grade 2 there are three groups of technical work: Scales, Chords and Acoustic Riff

All exercises need to be played in straight feel, in the keys, octaves and tempos shown. Candidates may use their book during the exam for all groups.

Group A needs to be played to a click. The examiner will play the click at the given tempo and candidates should begin to play after four clicks.

Group B power chords need to be played as a continuous sequence to a click. Major & minor and major 7/minor 7 chords are played as individual chords, each announced by the examiner.

Group C is played to a backing track.

GROUP A: SCALES

Tempo: ♩=80bpm

Rhythms: Quarter Notes

Range: One octave

- C major
- G major
- E natural minor
- A natural minor
- G minor pentatonic

SIGHT READING OR IMPROVISATION & INTERPRETATION

At Grade 2 candidates will be offered the choice between Sight Reading or Improvisation and Interpretation. Both are previously unseen and examples of each are given in the grade book

SIGHT READING

Tempo: ♩=70

Duration: 4 bars

Rhythms: Quarter notes (crotchets) eighth notes (quavers) and rests

Candidates will have **90** seconds to practise after which the examiner will play the backing track twice. The first time is to practise and the second time is to perform the final version for the exam. During the practice time, candidates will be given the option of a metronome click throughout or a one bar count-in at the beginning.

The backing track is continuous so once the first playthrough has finished the count-in of the second playing will start immediately.

Test 2: Harmonic Recall

Candidates will hear a tonic chord followed by a two-bar sequence in the key of C major played to a bass and drum backing. The sequence will be drawn from the I, IV and V chords and may occur in any combination. Candidates will be asked to play the chord sequence to the drum backing in the rhythm shown in the example from the Grade book. This rhythm will be used in all examples of this test given in the exam. Candidates will then be asked to identify the sequence they have played to the examiner. The test will be played twice.

Each time the test is played the sequence is: count-in, tonic, count-in, chords. There will be a short gap to practise after second playing. Candidates will then hear the count-in and tonic for the third time followed by a vocal count-in then must play the chords to the drum backing. Candidates should then identify the chords.

The tempo is ♩=90

GENERAL MUSICIANSHIP QUESTIONS

Candidates will be asked five questions. Four of these questions will be about general music knowledge and the fifth question asked will be about instrumental & technical knowledge.

Music Knowledge

The examiner will ask four music knowledge questions based on a piece of music performed in the exam. Candidates will nominate the piece of music about which the questions will be asked.

In Grade 4 candidates will be asked to identify:

- Names of pitches
- The meaning of the time signature marking and the key signature marking
- Repeat marks, first and second time bars, D.C., D.S., al Coda and al Fine markings
- Whole, half, quarter, eighth, triplet eight-notes and 16th note values
- Whole, half, quarter, eighth, triplet eight-notes and 16th note rests and rest combinations
- The construction of major 7, minor 7 or dominant 7 chords

Technical Knowledge

The examiner will also ask one question regarding a technical consideration of the piece, in relation to:

- **Picking hand:** Strumming or picking technique for a short phrase (up to one bar) – demonstration is acceptable
- **Fretting hand:** Fretting position and fingering used to play a short phrase (up to one bar) – demonstration is acceptable

The examiner will choose the section of music and will ask for a brief explanation as to why the technique was appropriate for the chosen section.

During the practice time, candidates will be given the option of a metronome click throughout or a one bar count-in at the beginning.

The backing track is continuous so once the first playthrough has finished the count-in of the second playing will start immediately.

IMPROVISATION & INTERPRETATION

*At this level there is an element of sight reading in the Improvisation & Interpretation test**

Tempo: ♩=90-100

Duration: 4-6 bars

Key: A major, G major, E minor or G minor

Improvisation requirement: Rhythmic chords *and* melodic lines (as shown on score)

**Sight reading element: Two bars, rhythmic strumming only*

Candidates will have **90** seconds to practise after which the examiner will play the backing track twice. The first time is to practise and the second time is to perform the final version for the exam. During the practice time, candidates will be given the option of a metronome click throughout or a one bar count-in at the beginning.

The backing track is continuous so once the first playthrough has finished the count-in of the second playing will start immediately.

EAR TESTS

There are two Ear Tests in this grade. The examiner will play each test twice.

Test 1: Melodic Recall

Candidates will hear a two-bar melody with a drum backing using the D major pentatonic or A minor pentatonic scale. The first note of the melody will be the root note and the first interval will be descending. Candidates will need to then play back the melody on their instrument.

The test will be played twice. Each time the test is played it is preceded by a one bar vocal count-in.

The tempo is ♩=90.

Test 2: Harmonic Recall

Candidates will hear a tonic chord followed by a two-bar sequence in the key of G major played to a bass and drum backing. The sequence will be drawn from the I, IV, V and vi chords and may occur in any combination. Candidates will be asked to play the chord sequence to the drum backing in the rhythm shown in the example from the grade book. This rhythm will be used in all examples of this test given in the exam. Candidates will then be asked to identify the sequence they have played to the examiner. The test will be played twice.

Each time the test is played the sequence is: count-in, tonic, count-in, chords. There will be a short gap to practise after second playing. Candidates will then hear the count-in and tonic for the third time followed by a vocal count-in then must play the chords to the drum backing. Candidates should then identify the chords.

The tempo is ♩=80.

GENERAL MUSICIANSHIP QUESTIONS

Candidates will be asked five questions. Four of these questions will be about general music knowledge and the fifth question asked will be about instrumental & technical knowledge.

Music Knowledge

The examiner will ask four music knowledge questions based on a piece of music performed in the exam. Candidates will nominate the piece of music about which the questions will be asked.

In Grade 5 candidates will be asked to identify:

- Names of pitches
- The meaning of the time signature marking and the key signature marking
- Repeat marks, first and second time bars, D.C., D.S., al Coda and al Fine markings
- Whole, half, quarter, eighth, triplet eighth-notes and 16th note values
- Whole, half, quarter, eighth, triplet eighth-notes and 16th note rests and rest combinations
- The construction of major 7, minor 7 or dominant 7 chords
- To explain the meaning of a sus2 or sus4 chord

Technical Knowledge

The examiner will also ask one question regarding a technical consideration of the piece, in relation to:

- **Picking hand:** Strumming or picking technique for a short phrase (up to one bar) – demonstration is acceptable
- **Fretting hand:** Fretting position and fingering used to play a short phrase (up to one bar) – demonstration is acceptable

The examiner will choose the section of music and will ask candidates to give a brief explanation as to why the technique was appropriate for the chosen section.

Grade 6

The Grade 6 Acoustic exam is for candidates who have been typically learning in the region of four or more years and who have reached the first stage of advanced level playing. They have mastered the key skills up to Grade 5 and have since developed appropriate technique, expressive devices, rhythmic complexity, co-ordination and musical understanding. Candidates will have an increased extent of individuality, enhanced stylistic awareness and will be able to improvise with convincing shape and articulation. There will be good understanding of form and structure with clear musical communication.

There are two types of exam available at Grade 6, either a **Grade Exam** or **Performance Certificate**. (Refer to the Introduction for an explanation of the differences).

QUICK STUDY PIECE

At this grade candidates will be asked to prepare and play a short Quick Study Piece (QSP). The QSP chosen will be a previously unseen example, but similar to those provided as exemplar material in the grade book.

Candidates will be shown the test and played the track with the notated parts played. Any bars that require improvisation will not be demonstrated. Candidates will then have three minutes to study the test. The backing track will be played twice more. Candidates will be allowed to practise during the first playing of the backing track, with the notated parts now absent, before playing it to the examiner on the second playing of the backing track.

The style of the QSP is determined by the stylistic study selected by the candidate in the technical exercise section. The QSP is in the form of a lead sheet and candidates must create their own interpretation of the music in the parts where instructed to do so.

Styles:

- Blues & Country
- Acoustic Specialist

EAR TESTS

There are two Ear Tests in this grade. The examiner will play each test twice.

Test 1: Melodic Recall

Candidates will hear a two-bar melody with a drum backing using the D major pentatonic, D minor pentatonic or G natural minor scale. The first note of the melody will be *either* the root note *or* fifth and the first interval will be *either* ascending *or* descending. Candidates will need to then play back the melody on their instrument.

The test will be played twice. Each time the test is played it is preceded by a one bar vocal count-in.

The tempo is ♩=90.

Test 2: Harmonic Recall

Candidates will hear a tonic chord followed by a four-bar sequence in the key of D major played to a bass and drum backing. The sequence will be drawn from the I, ii, iii, IV, V and vi chords and will incorporate a dominant7 (V7) chord. Candidates will be asked to play the chord sequence to the drum backing in the rhythm shown in the example from the grade book. This rhythm will be used in all examples of this test given in the exam. Candidates will then be asked to identify the sequence they have played to the examiner. The test will be played twice.

Each time the test is played the sequence is: count-in, tonic, count-in, chords. There will be a short gap to practise after second playing. Candidates will then hear the count-in and tonic for the third time followed by a vocal count-in then must play the chords to the drum backing. Candidates should then identify the chords.

The tempo is ♩=90.

GENERAL MUSICIANSHIP QUESTIONS

Candidates will be asked five questions. Four of these questions will be about general music knowledge and the fifth question asked will be about instrumental & technical knowledge.

Music Knowledge

The examiner will ask four music knowledge questions based on a piece of music performed in the exam. Candidates will nominate the piece of music about which the questions will be asked.

In Grade 6 candidates will be asked to identify:

- The names of pitches
- Any expressive musical marking found in the piece such as palm muting, accents, *staccato*, *legato*, *vibrato*
- Any dynamic marking found in the piece
- One type of scale that can be used appropriately in the solo section of the piece you have played and its relation to the underlying harmony of the piece (if relevant) **or**:
- How you developed a section of the piece (if relevant) **or**:
- A stylistic feature of the piece characteristic of its genre

Technical Knowledge

The examiner will also ask the candidate one question regarding a technical consideration of their piece, in relation to:

- **Picking hand:** Strumming or picking technique for a short phrase (up to one bar) – demonstration is acceptable
- **Fretting hand:** Fretting position and fingering used to play a short phrase (up to one bar) – demonstration is acceptable

The examiner will choose the section of music and will ask for a brief explanation as to why the technique was appropriate for the chosen section.
